Village of Cape Vincent

P.O. Box 337
Cape Vincent, New York 13618
(315) 654-2533
Voice and TDD Number is 711 or 1-800-662-1220

March 19, 2020

The Village of Cape Vincent find it necessary to restrict certain government functions and modify ways that we have conducted official business previously due to the Corona Virus outbreak. In keeping with State and Federal mandates the following changes will be put into place immediately and remain in place until further notice.

- Village office will remain closed to the public. The office will be staffed with normal hours. Residents are encouraged to use online services, mail, or the drop box located outside the office entrance. Residents or persons needed to speak to our staff directly can call during normal business hours.
- Village board meeting and work sessions will be closed to the public and limited to what is necessary to conduct local business. People are encouraged to call or email any questions during this time and staff or board members will return the call or email.
- Our DPW will continue to work with limited contact with the public as to keep them safe during this time. Garbage will still be picked up on Mondays. Please take extra care to package your waste correctly as to limit our staff's contact to protect them and keep them safe.

I and the Village board apologize for any inconveniences this may cause. It is our main goal to keep our staff and the public as safe as possible during this very difficult time. We thank you for your cooperation on this matter. We wish you all safe and by working together will make it through these very trying times.

Jerry D Golden

Mayor
