

Report for Joint Board Meeting  
October 26<sup>th</sup>, 2017

This report is to provide the board members with an update of on going work and projects that we have been working on.

- 1) East End Pavilion Funding – Working with DASNY on securing the funds to begin construction. Previous to my employment the committee submitted the initial paperwork. I have completed the package of information that DASNY requested and submitted it for approval on April 4<sup>th</sup>. After multiple follow ups for the same paperwork DASNY has approved the paperwork and contact, it is currently at the Governor’s staff for approval. DASNY cannot provide a timeframe once it is sent over.
- 2) Assemblywoman Addie Jenne’s \$250,000 DASNY money- Have the initial paperwork completed and awaiting the budget report from BCA. Once I have received the information I will submit the request to DASNY.
- 3) NYS CFA Application for Improvements to Tibbetts Point Lighthouse for the town was submitted.
- 4) NYS CFA Application for Club Street Improvements for the Village was submitted.
- 5) Review of the comprehensive plan and outline of suggestions. The SWOT meeting went well and I have attached the outline. I am working on the updated summary.
- 6) Met with local business owners to discuss grant options for downtown business.
- 7) Assisting the town with Waterfront Plan.
- 8) Submitted initial paperwork to Senator Ritchie’s office on behalf of the town for a playground grant.
- 9) Submitted paperwork for \$5,000 Department of State funding for docks.
